No regrets

Last week at a party I met two total strangers who took me back to their hotel.

I felt so free, like I could be the biggest slut and ask them to do really filthy things to me, and it wouldn't matter – we'd never have to face each other again after tonight.

I had fun stripping them too, moving back and forth, but Luke got in first, kneeling down and giving my pussy a licking.

MANDY, DORSET

CONTACT ME

I wanked Andy's shaft then stuck it in my mouth for a good sucking.

I was on all fours now, Luke still licking me. "Just fuck me," I said, using my hand on Andy's cock as I let it slip from my mouth. Then I went back to sucking him, moaning and taking it in even deeper as I felt Luke ram his prick into my cunt from behind.

They switched a couple of times – then Andy asked would I be up for trying a DP.

I'd seen it done in porno films and wasn't sure. These lads were both well hung, and I find it hard enough to take a cock in my arse at times, let alone one in each hole.

I didn't want to disappoint, though, so I made up for it by giving them a hand-finish, one in each palm, and letting them jizz on me. Luke was first to cum, giving me a hot, sticky facial. Then Andy let rip, spraying more on my face as well as my tits.

I didn't get any sleep again that night, and deliberately didn't get the guys' details, but I don't regret a thing…

Mandy, Dorset.

Bump in the night

I was feeling down in the dumps when my mate Lucy called saying that a girl from her work was getting married and would I like to go with her on the hen do.

It was the following Saturday and the theme was Hallowe'en.

Saturday came and I spent quite some time getting ready, putting my make up on and then making sure that my outfit looked as sexy as possible. I wore stockings, a short skirt and a top that showed off my boobs.

We had a few drinks at Lucy's house and then made our way to town to meet the rest of the girls. By the time we got to the club we were well pissed and to be honest when I get drunk I need sex.

Me and Lucy started to dance sexily and soon two guys came over and asked if they could join us. We said

no need to ask and began dancing with them.

They were called Dave and Gary and were both very good looking guys.

Lucy looked at me and I just knew what she was thinking: they were hot and she needed sex as well.

As we danced we groped each other. Dave had a good feel of my tits, squeezing them and opening his mouth like he wanted to suck on them.

I felt the front of his jeans and could feel a huge hard cock. I told him I wanted to fuck, to which he said soon.

He then put his hand up my skirt, I wasn't wearing any knickers so he could feel my wet cunt.

I opened my legs slightly and he slid two fingers into me. We were still on the dance floor so I moved my body as though I was dancing but all the time he was finger fucking me.

I couldn't wait any longer so grabbed his hand and led him off to the toilets.

We locked ourselves in one of the cubicles and I went straight for the zip of his jeans. Out popped a thick eight inch cock – it was the thickest one I had ever seen.

I got to my knees and began to suck him hard. He then started to fuck my mouth. I let him get it as far down my throat as it would go until I was gagging.

Just then a bouncer knocked on the door and he threw us out of the club. We decided to go back to his but didn't get very far when I said that I needed a pee.

I went into the local park and Dave followed me saying he wanted to watch as a girl peeing really turned him on.

I crouched down and let my golden water flow. Dave got his cock out and started to wank. Just as I finished peeing he came all over my face. Some went in my mouth so I swallowed it down.

I told him to sit on one of the benches and then started to wank him again.

When he was nice and hard I stood above him with one leg either side of his body. I slowly lowered myself down on to his huge cock.

He entered me without any problem and we fucked for a while when he said he wanted to fuck me from behind.

I stood up and leaned over the back of the bench. He grabbed me around the waist and started to bang away like a jack hammer.

I was begging for more and the more I begged the harder he went. I could feel myself getting more and more aroused and then I started to cum.

As my cunt muscles clamped around his cock he started to twitch and he came at the same time, shooting his spunk deep into me.

We cleaned ourselves up a bit and went back to his, having a few more drinks and more sex.

I stayed the night and we fucked again in the morning before I left.

I have seen Dave a few times since on a 'fuck me now' basis and am loving every minute of it.

Wedding Banned

JEN, YORKS

My bloke Wayne's a bit of rough – which is exactly how I like it.

My only real problem comes when I need him to get suited and booted, like for the wedding we went to the other week. I don't know why I gave a stuff – it was his mate getting hitched, not mine. But I finally managed to force him into a suit, ironed shirt and shiny shoes. The next hurdle was getting him to shave. It wasn't "designer stubble", as he put it – way too long. Then he reckoned he was growing a beard. "Are you fuck!" I said. In the end, he said he'd shave it off if I shaved my snatch.

I'm no stranger to shaving down there. I keep my bush trimmed and have Brazilians done in the summer, but I'd never fancied losing the lot.

But Wayne was serious, so I grabbed his shaving foam and razor. He offered to help, but I told him there was no way he was messing up his suit.

Messing it from the inside was clearly his biggest risk – I could see he was already rock hard. I'd taken off my panties, but left my stockings and sussies on. Now I was on the bed, towels under my arse and mirror propped in between my knees, smoothing sticky white foam into my pubes. Then I started pulling on my labia, stretching them nice and tight so I could shave my fuzz off safely.

I got it done quickly – maybe too quickly for Wayne's liking – then mopped and dried myself off. Now I finally gave in, letting him have a stroke of my smooth, cool skin. I knew I was turning him on, but I didn't realise how horny I'd got myself, too – not until his fingers sank right inside my pussy. Although I knew we were in a rush I started to moan, and screwed myself against Wayne's fingers, grinding myself against it until I came.

Yes, it was mean of me to stop Wayne wanking himself too, but I got a buzz from knowing how frantic he'd be. I put my knickers on, got myself together then half-dragged him out to the car.

I thought I'd leave him in suspense all through the ceremony but soon realised that wasn't going to work. So, once we got to the registry office, we nipped into a loo. I just kept thinking, what if we got found out, people wouldn't ever let us forget something like this. But maybe that gave me a kinky little thrill too.

I teased Wayne a bit, telling him to roll my skirt up neatly so it wouldn't crease, and to pull his trousers down, not just unzip, so he wouldn't risk

I SMOOTHED STICKY WHITE FOAM INTO MY PUBES THEN PULLED ON MY LABIA TO SHAVE

staining them with spunk and juices. “Shut the fuck up…” he sighed, and jammed his cock up me, fucking in deep. I had to work fast to cum again, but it didn’t take much clit-frigging to get my pussy pumping around his shaft.

He said there was one sure way of keeping our clothes spunk-free. He pulled out of my cunt then I turned round, opening my mouth wide so he could slide his cock inside it without making too much mess of my lipstick.

I lapped against the underside of his helmet, then felt and tasted his spunk as it splattered out of his tip, onto my tongue and down the back of my throat.

Nobody was around when we sneaked back out of the loo, but I couldn’t look at Wayne all through the ceremony in case I cracked up over what we’d just got up to. And I couldn’t get my mind off how wet my pussy was – with no pubes to soak up the juices, it was dripping.

We left earlier than we’d intended to, so we could fuck each other stupid back at our hotel. I doubt the bridal suite saw as much action as our room did that night!

Jen, Yorks.

Anal Virgin

I'll admit that knobbing my best mate's girlfriend was probably the lowest thing I've done in my life, and writing in to you blokes about it probably makes it even worse, but keeping it to myself is half-killing me!

JULIA, ESSEX

CONTACT ME

I turned up at their flat, forgetting my mate had gone away for the weekend. Julia, his other half, was there, though, and offered me a quick beer. I ended up staying to watch a video and share a pizza when things started getting a bit suggestive.

At one point she asked me about anal sex and if I'd ever done it – because, she said, my mate really hated the idea. I told her how one girl had really loved it and Ju seemed to be turned on by the idea. I could tell she was desperate to give it a go.

I finished my drink and asked her was there any chance he might come back that night. "No way," she said, so I told her to make sure the door was locked.

She came back grinning, snogged me and laid back, pulling me on top of her. I already had a raging boner. Good thing too, as I'd need to be hard to get inside her tight virgin arse.

We had a straight shag first – if you're going to mess around like that may as well make the most of it – and Ju had shaved her lush little pussy earlier in the day, which just made fucking it even more of a thrill.

I SCOOPED THE SPUNKY JUICES OUT OF HER PULSING CUNT

When it was finally time for me to have a go at her bum, I spent ages over playing with it, getting her relaxed. She didn't have any lube and so I scooped the spunky juices out of her cunt and smeared it all over my prick and her arsehole.

I took things slow and gentle so I didn't actually have any trouble getting inside her. I had her tense herself against the head of my prick, then relax so I suddenly slipped in. She gasped as I went through her ring, then moaned as I moved deeper inside her. I just stayed deep, not thrusting so she'd get used to the feel of my big prick filling her arse. I've never had such a tight fuck in my life.

I pulled her back so I was kneeling and she was on my lap, sitting back on my prick. Then I started playing with her clit. Instantly, she started moaning as I caressed her nub. She came so hard I had to hold her steady, the juices pouring out of her unplugged pussy to soak my balls.

I'd have happily pulled out then and there, even if it had meant finishing myself off with a wank, but Ju said she wanted the whole experience, she wanted to feel a warm, thick load of spunk shoot up inside her arse. I got her on all fours again and started thrusting, holding her by the hips. When I came it lasted ages longer than normal, jet after jet of spunk flooding out into her tight hole. When I pulled out, the sight of her arse slightly opened from the size of me and dripping my cream down over her slit almost got me cumming all over again.

It was a mind-blowing night all right!

Dean, Essex.

"We met when I was a waitress and Ben was a chef at a restaurant in Nottingham. We were often left together after a long stressful night and would unwind with a couple of beers. Soon we were fucking every night, in the kitchen, on the dining tables. It made the job a lot more enjoyable. Now we work apart but he still comes round after his shift late at night for an after-dinner stint!"

BRIDAL TARTY!

DOUBLE DICKER!

Thickets please! When we heard about top deck exhibitionist Alex (22, from Surrey) we had to get her bush on the top shelf. Several late night bus journeys later we found her on the back seat at the top opening up her Oyster for everyone's pleasure and looking like she was going all the way. "You always meet really interesting people on the bus!" she told us, by way of explanation. "They're a lot more friendly than on the train. I always get chatting and sometimes things develop!" Doesn't the driver have anything to say about the arrangement? "Oh, no! He just loves to watch in his mirror!"

Supersize me

My wife got chatted up by a guy she fancied. I agreed she could see him as long as I got all the details.

She met him in a pub and had quite a few drinks, which made her relax and enjoy herself. He asked her if she wanted to go back for a coffee, and she agreed.

When they were driving home in a taxi they began kissing and his hand slid up her legs.

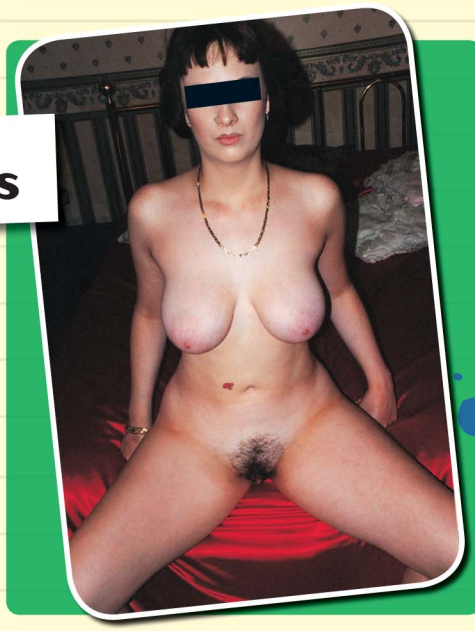
Once they were indoors he was all over her, slowly touching her legs, tits and arse.

He undid her bra and slowly started sucking on each nipple, making them really hard. He slipped two and then three fingers inside her wet cunt, pulling her pants to one side as they went in. This was not enough for her – it was cock she wanted, and lots of it.

She got on the bed and slid out of her pants. As she opened her legs he could see her hole open and waiting for his cock.

He got his gargantuan dick out and she wasn't sure if she could take one of that size. He got on top of her and she inched the end of his cock inside her cunt and slowly he pushed it further in, starting to fill her up.

LYN, HERTS



She wanted more and more of it and he kept on pushing it in until his balls were banging against her arse.

As he started ramming into her, her hole was stretching and getting used to the size of his cock. He told her to get on

TWO HUGE LOADS OF SPERM FLOWED INTO HER AT BOTH ENDS

Video nasty

One of the most erotic experiences I have had was after watching a porno pissed with my wife Amanda and her mate Sue.

Amanda was soon giggling with Sue about what it'd like to have her pussy stretched with a big dick like on the screen. And then Amanda asked her if she'd like to try a big cock. She said yes, so Amanda offered mine!

Amanda and Sue were looking at me with raw lust in their eyes, and I knew I was going to get to sink my cock into both of them!

Amanda freed my cock then and there, and invited Sue to take over. She slurped down on it, and her warm mouth felt great clamped around my girth as she bobbed up and down on it. Amanda helped Sue out of her clothes as she sucked me off, then disrobed herself.

Sue lay back so I could get between her legs. I placed my big cock up against her cunt and pushed it in a one long, slow thrust. She gasped as I completely filled her, but her voice was soon muffled as Amanda squatted over her face so Sue could lick her cunt.

I fucked her slowly at first so that she could get used to my length ploughing her pussy, and as she did so, I picked up the pace of my thrusting. Pretty soon I was banging into her at a fair pace. I couldn't really tell how it was affecting her as her tongue was in Amanda's snatch.

Then Sue started to buck and push back harder against my thrusts, so I was obviously

and down her legs.

Then he called his mate from the other room to fuck her. She stayed on her knees and the other guy slid his cock up her.

The first guy then stood over her head, and she started sucking him back to life. He put his hand on the side of her head and started to fuck her mouth. It was as though she was impaled on cock.

After a couple of minutes they both came, and two huge loads of sperm flowed into her at both ends.

When she got home she was a changed woman, and now she is game for anything big! I have to get my mates in as there's no way I can satisfy her on my own!

James, Herts.

her knees and the huge cock slid back into her hole, no problem, and her tits swung about with every thrust of his cock.

She wanted it harder and harder, and suddenly his spunk shot deep in her hole. As he took his cock out the spunk oozed out of her cunt

doing something right. I redoubled my efforts, and I felt Sue's cunt clamp tight around my cock as she came.

As Sue settled down again, I pulled out – I decided I'd better give my wife a turn too. It always pays to

keep the missus on side!

As I slid into my wife's cunt, Sue licked her clit. As I rammed in, I occasionally felt her tongue flicker against my cock. Soon Amanda came too, so I felt I'd done my duty by them both, and began to fuck Amanda hard and fast. I thrust into her as deep as I could go, Sue looking at me right in the eyes as she continued to lick Amanda's cunt too.

The sight of Sue, her face wet with Amanda's juices, was too much for me, and I felt the spunk rush up my cock and jet out inside my wife!

As I pulled out of Amanda, jism dribbled out of her open hole, and Sue started to lap it up, licking thick gobs of my cream from Amanda's cunt. If I hadn't just shot my load, I'd have cum at the sight of it!

Dirty Double

My wife and I recently went to a hotel for a dirty weekend away.

When we arrived Linda went for a shower leaving the door open. I was unpacking in the bedroom when these two maintenance guys walked in. They introduced themselves as Chris and Dave, and said they'd come to fix the window in the bathroom.

I told them my wife was having a shower in the bathroom but would be out soon. I went off

to the bedroom, but I looked back and saw the two guys watching Linda showering through the open door.

She was rubbing soap over her tits and pussy. Linda looked at the two blokes and smiled. She asked them if they'd like to join her. They were a little taken aback, and Dave said, "What about your husband?"

Linda told them it was OK because I liked to watch. Dave and Chris hesitated slightly before pulling off their clothes and getting into the shower. Dave had a massive cock - it must have been nine inches long, and thick with it.

Linda had a look of pure lust on her face. She knelt down and started to wank him off. She licked his balls and shaft as she did it, before taking the tip into her mouth.

Chris pulled Linda's bum up and pushed his cock into her pussy. I was standing by the door wanking myself off as I watched Chris hammering into her and reaching round to massage her tits.

Dave pulled his cock out of Linda's mouth, directing jets of cum all over her face. At the same time Chris came in my wife's cunt. Her muscles sucked his spunking cock dry before he pulled his cock out.

Linda then looked at me and told me to lick out her hot pussy. My head went straight down between her legs, licking up cum and love juice as it leaked from her cunt. The guys changed position and fucked her pussy sore.
